### LED Bulb with Fan

|                       |                             |
|-----------------------|-----------------------------|
| Type                  | : LED Bulb                  |
| Holder                | : E27                       |
| Power                 | : 40W                       |
| Lumen                 | : 3200lm                    |
| Color Temperature     | : 6500K, 4000K, 3000K       |
|                       | : Red, Blue, Green & Purple |
| Voltage               | : AC185 - 265V 60Hz         |
| Beam Angle            | : 45°                       |
| Power Factor          | : >0.5                      |
| Operating Temperature | : -10°C - +40°C             |
| Index Protection (IP) | : IP20                      |
| LED Chip              | : OSRAM LED                 |
| Casing Material       | : Aluminium + Polycarbonate |
| Color                 | : Silver & White            |
| Carton                | : 50pcs                     |
