## T8 LED Tube

|                             |                              |
|-----------------------------|------------------------------|
| Type                        | : Tube                       |
| Power                       | : 30W (2ft) / 55W (4ft)      |
| Lumen                       | : 3000lm (30W), 5500lm (55W) |
| Color Temperature           | : 6500K                      |
| Voltage                     | : AC220 - 240V               |
| Beam Angle                  | : 270°                       |
| Power Factor                | : $\geq 0.5$                 |
| Operating Temperature Range | : -20°C ~ 50°C               |
| Color Rendering Index (CRI) | : $\geq 80$                  |
| Cap                         | : G13                        |
| Index Protection (IP)       | : IP20                       |
| LED Chip                    | : SMD LED                    |
| Material                    | : Glass Tube + Aluminium Cap |
| Carton                      | : 30pcs                      |

## Measurement (mm)

| Wattage | A    | B   |
|---------|------|-----|
| 30W     | 609  | Ø25 |
| 55W     | 1219 | Ø25 |
